

Product Datasheet

Single Nozzle Table Mounted Eye, Face and Body Shower

Optiflex 200

Developed to suit hazardous environments where there is the possibility of small spillages of chemicals or dangerous substances.

This single nozzle table mounted handheld eye, face and body shower is fitted with a 1.5 metre flexible hose to facilitate direct decontamination of the eyes or other specific areas of the body.

- Quick to activate lock-on actuating button for ease of use
- Nozzles protected by dust covers deliver 7 litres per minute flow rate for a thorough rinse of the affected area
